

車載用プリント配線板 (高密度化)

High Density PWB Technology

<http://www.cmk-corp.com>

車載用ビルドアップ配線板

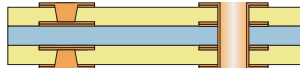

HDI PWB for Automotives

高密度実装対応 (BGA / CSP等)
Possible to use High Density SMT

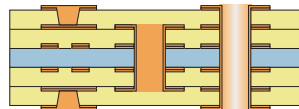

車載向けビルドアップ配線板は、15年以上の生産実績を積み上げた工程設計、品質管理より対応します。
Our HDI PWBs for Automotives can be manufactured based on process design and quality controls experienced over 15 years.

Prepreg build-up PWB(PPBU)

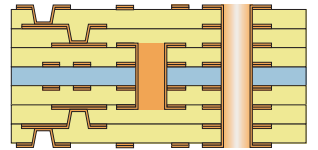

Variation of PPBU structure

PPBU 1-2-1

PPBU 1-4-1

PPBU 2-4-2

グローバル対応

Global Manufacturing

グローバル3拠点から高信頼性ビルドアップ配線板を御提供します。
CMK's HDI PWBs Automotives can be manufactured at 3 factories Globally.

Power Train

Engine ECU etc.

Body

Indicating meter etc.

ADAS

Millimeter-wave rader, camera etc.

Information

Navigations etc.

Driving, Safety

ECB etc.

信頼性保証

Reliability performance assurance

充実した試験・解析機器にて量産品、開発品の信頼性評価を実施
Reliability test of Manufacturing / Development products can be done using various testing machines / analysis equipments.
